What Happened in December?

We had a
Christmas party!

It might look like we took a trip on the SS Minnow with Captain Dr Sandie and first mate Dr Chantal and figurehead Dr Tracy – but I assure you all the motley crew were all there.

We had a birthday lunch at the Railway

(see below)**

Kids (big and small) got adjusted

The aggies are out beneath the magnolia (that is somehow still flowering) and bells. (Did you count the Christmas bells?)

Napping on the counter

Staff Update

Dr Hart

Pity Dr Hart, while he tries to keep up the water for Liz's garden at home. 'Also' and it is a big "also", the water pump decided to go on long service leave. So there is instantaneous panic.. Dr Hart is at work on Monday and Thursday.

Dr Tracy

Dr Tracy welcomed the "Claytons New Year" at 9pm this year. She and Glen had a quiet Christmas and enjoyed time on the veranda with friends. Dr Tracy is working Monday, Tuesday, Wednesday & Saturdays

Dr Chan

Dr Chan had family visiting during December and spent Christmas in Maleny at her mums. She also had a busy time preparing for Lady Musgrave camping trip with a few friends. She is hoping to get some underwater photos of the turtles and mantarays from a bommie just off shore from where they will be camping. Dr Chan wishes all happiness & good health for 2017. Dr Chan works Friday & Saturdays each week.

Dr Tara

Dr Tara enjoyed the special hum that comes with the festive season - Lots of special times with family, friends and loved ones; a trip away to celebrate her Mum's birthday, and a nature safari to Lady Musgrave Is. with Dr Chan. Dr Tara works Tuesday, Wednesday, Thursday, Friday and Saturdays.

Dr Sandie

In December Dr Sandie had a trip down to see her sister at Cowra. She went to the carols in Queens Park and enjoyed Toowoomba's Christmas festivities. January should be a nice quiet month to start the new year. Dr Sandie works Wednesday morning, Friday afternoon and Saturday morning.

Sue

Sue had a lovely Christmas with her two sisters, Sandie, Tim & Hamish. It was so much fun watching Hamish with his presents. A few days at Maleny and a swim at Mooloolaba completed a lovely break away. Sue hopes you all had a very Happy and safe holiday and is looking forward to hearing about some trifle tastings in the New Year.

Natalie

New Year, new beginnings and focus. Mitchell has been granted a NDIS (National Disability Insurance Scheme), package that enables after nearly 26 years he will have the independence of a young adult, without relying on mum for his caring capacity, Natalie can finally just be mum. For those of you who have been extremely patient with me at times when due to my care I have been a "little blonde"...thank you from the bottom of my heart...Thank you for all your kind words and genuine concern over the years...Nat x

Leiza

Leiza has had a busy December sewing bunny rugs preparing for the new bub & fishing rod holders for the grandkids new rods, shopping up a storm for Christmas gifts and cooking up a yummy GF/Dairy free fruit cake. Tony did most of the prep work of the camper-trailer trip to Lake Macquarie and Leiza did her small part, all combined they had a fabulous trip stayed safe & dry. Lots of walks, kayaking and some fishing (not that they wanted to be caught) most importantly a fabulous Christmas with the family.
